

Saturday, March 11th | Rooney Park | Fort Stockton, TX

SpringsFest is an event celebrating the history of Comanche Springs. Visitors and local residents are invited to reflect on the community's rich history while creating new memories.

The event will kickoff at 1:00pm with a panel discussing Comanche Springs' history. Event participants will then have the chance to go on a scavenger hunt, which will lead them to landmarks where local experts will be on hand to share the history of that special place.

Following the scavenger hunt, participants will return to Rooney Park to claim their prizes and enjoy food trucks and live music!
